## Open Letter to All Residents of Glatton

On behalf of the Village Hall Committee, I would like to express our deepest gratitude to all the residents of Glatton who contributed both their time and labour to ensure that last week's Diamond Jubilee Event went ahead smoothly.

We appreciate the time and commitment shown by you, and it goes to show what can be achieved when it's a case of 'all hands to the pump', and everyone pulls together.

To say we were lucky with the weather is an understatement, given the downpours we had for the rest of the Bank Holiday, and the exhibition put on by the Natural History Museum and the British and Irish Meteorological Society was exceptional in its own right, and I feel that, as a village, we owe them a great debt of gratitude as it far exceeded anything I had bargained on when embarking on organising it last September.

All those that attended the evening disco had an enjoyable time which rounded off the days events and gave the people who had put so much work into organising it a chance to relax and let their hair down.

So, once again, a massive THANK YOU to you all, and lets do it all again at the next Jubilee.

We would also like to take this opportunity to thank the Parish Council for purchasing the mugs and for organising the tree planting ceremony on the village green last Monday.

Kind regards,

Bob Widd
